Order Tracking

DPD's "Follow My Parcel" service. You can receive a 15 minute delivery timeslot (applies to most UK postcodes).

We require your smartphones's number & email address, you'll get a link to a map showing you where the driver is as he gets closer to your address, plus a prediction when they are 15 minutes away! More details available from our web-site: www.sevenside.co

Follow My Parcel

Also be able to track your order and get a 1 Hour delivery window with either your text number or email address (most UK postcodes).
